

# *SIM* Ethiopia Scholarships

## **Problem**

With phenomenal growth over the last 75 years, the Ethiopian Kale Heywet Church (EKHC) currently has well over 4 million believers in more than 5,000 churches. This mushrooming church desperately needs trained teachers and leaders so believers can grow in the truth, not be deceived by false teachers and not fall away for lack of spiritual food.

## **Solution**

SIM has assisted EKHC in establishing schools to meet the church training needs. In addition to helping with advice and staffing, SIM also seeks to subsidize student fees. Scholarship funds have been set up to subsidize and partner with churches who send their leaders for training.

## *Existing Scholarship Projects*

The school year budget is \$ 105,991 US for assisting close to 350 students.

### **ETC Needy Student**

This project covers additional subsidies of 20%, 40%, or up to 70% for Evangelical Theologi-

### **EKMTC Needy Students**
